

San Diego MG Club

Hello, MG Owner/Enthusiast!

This is an open invitation for you or anyone you may know who may be interested in our MG club. We have been established in San Diego since 1958 (50-plus years)! We try to maintain a social club, sharing experiences and lending support to our fellow MG owners.

We realize that not all members can join us for every meeting or event, but we welcome the opportunity to keep in touch through our newsletter. Our newsletter offers tips on car maintenance, upcoming events, articles of general interest, and information on parts, supplies, and services.

We are an active club. If you like to have fun, you might find these activities fulfilling: rallies, country tours, camping, brunches, car shows, parties, tech sessions, swap meets, and other exciting activities. Most important of all are the new friends you will meet who share your interests.

Dues are \$35.00 per year, prorated for anyone joining after April (please see dues schedule, below). All new members will receive a "New Member Package" containing all articles distributed by our club. There is an Associate Membership available for those not owning an MG, but wishing to join the club.

Come and spend an evening with us on the first Tuesday of each month. The meeting officially begins at 7:30 P.M. at the Marie Callender's Restaurant, 6950 Alvarado Road, San Diego (adjacent to Interstate 8 just west of 70th Street exit). People start arriving at 6:30 P.M. to enjoy a bite to eat and socializing with other members.
